

# FORD RANGER FIRE TRUCK

## VEHICLE SUMMARY

The Fast Attack Fire Module has been designed to get the most versatility from a single vehicle. The quick release mechanisms allow for the Fire Module to be interchanged in a matter of minutes. This means the vehicle can be converted from a robust small response fire unit to a standard tray back vehicle at any time.

Front protection bull bar with side rail and side step\*

Multiple storage lockers (1600L)

Work light

Electric starter kit for davey pump and Pump isolation switch

\* Some features shown are optional

Automated Pump Electric Flow Switch By-Pass to Protect Pump

Electric Starter Kit for Davey Pump Pump Isolation Switch

3-Point Access Ladder

Protective Roof

Operational Lighting Package  
 • Work Lights  
 • Strip Lighting  
 • S.T.I.R. High Lights

1600L Tool Box

Hose Reel Electric Re-Wind Akron Forestry Nozzle or Trigger Gun

## Standard Features

### Fire module with aluminum tray

Fork lift points accessible on both sides

Quick release locking system

BIC 65mm fast fill

Protective roof

1600L toolbox

Three-point access ladder

Operational lighting package

Tank low level alarm system

Hose reel electric rewind

Trigger gun

Akron forestry nozzle

Vehicle decals

### Heavy duty poly tank

400L capacity, light weight & robust design

Ball baffle system ensuring vehicle stability

Fast fill breather & overflow

Tank level LED indication panel

Low level audible alarm system

### Davey pump

Diesel twin impeller 5270YE

Flows to 800 lpm. max head 92 m.

Self priming pump

Scotty through-pump foam proportioning system

Automated pump electric flow switch by-pass to protect pump

Electric start with battery recharge

Pump starter isolation switch

### Hannay hose reel

Electric rewind

Hose rollers

Shut off isolation

30m reinforced hose

Trigger gun nozzle or forestry nozzle available

## Optional Features

Front bull bar (no winch offer)

Side rail and side step protection

Light bar system with PA unit

Front mesh protection

Coolant block heater

Fuel filter, warm and cold climate type
